

# How incredABLE are you?

The **We are incredABLE** project is an exciting new programme being launched by Enable in September 2017.

This unique 5-year project funded by Big lottery will offer “whole day” opportunities for young people aged 18-25 years with a learning disability and/or autism who live in the Southern Health and Social Care Trust Area. Programme participants

will benefit from improved independence and daily living skills, greater confidence and motivation, more choice and opportunity as well as enhanced relationships within their family, peer and community support networks.

Please note the We are incredABLE project is limited to a set number of places annually with selection/eligibility criteria being applied as part of application process. In the event that year 1 becomes oversubscribed every attempt will be made to accommodate interested individuals in year 2 or as the project progresses.

## Sound incredABLE?

If so, the following might be for you....

Would you like to learn new skills by developing new products and services as part of a busy team in a structured work environment?

*(placements last 2 years initially 1 day per week at Enable Base, Richhill)*

Would you like to live independently in the future, deepen your understanding of health and wellbeing or perhaps take on a more active role in your home?

*(12-16 week programme in Drumbee Schoolhouse, Armagh)*

Would you like to meet new people, develop new friendships and participate in fun, social and recreational activities?

*(2 hour weekly young adult clubs across 3 trust localities)*

If you answered YES to any of the above and you would like to complete an Expression of Interest form visit:
